PARAMETER OF 595X1190x14mm Light Pannel

Model: AALP60120

Input Voltage AC:	100-240V
Power consumption Watt:	74W
Luminous flux	3819LM COOL WHITE, 2864LM WARM WHITE
Colour	Cool white, red, green, blue, yellow, orange, warm white, natural white, RGB
colour Temperature :	2700-7000K
Life time	>50,000 Hours
Work Temperature	-10°C-40°C
Storage Temperature	-20°C-60°C
Work humidity:	≤85%
StorageHumidity	≤85%
Weight	11KGS
Size	595x1190x14mm
IK code	IK 04
IP code	IP 41
Luminaires Class	Class II
Installation	Built in, Mounting, Suspending
